Hi Sue,

Panini’s staff has been absolutely decimated by a mass migration over to Fanatics. As a result, they have been running significantly behind with this process. The below were just confirmed as being received over the weekend. Payment requests will be done today with due date of this Friday.

I’m sure that Rotundo’s have been received but with so few employees, they can only process so many shipments at a time.

Beth Phoenix
Brock Lesnar
Brutus Beefcake
Don Muraco
Edge
Greg Valentine
Jerry Lawler
Norman Smiley
Rick Steiner
Scott Steiner
Shawn Michaels
Tatanka
The Honky Tonk Man
Wendi Richter
Booker T
D-Lo Brown
Jimmy Hart
Kurt Angle
Lex Luger
Lita
Stacy Keibler
Torrie Wilson
Tyler Breeze

H Steve, Mike Rotunda is asking to confirm that you did receive his stickers and if payment was made. He has been out of town and wanted to make sure if the check was mailed, it wasn't misplaced or lost.

Thank you

Sue
